By Howard Anton Elementary Linear

Howard Anton is a great author on mathematics books. The content is very good - as usual. But, the book was described in "good" condition as a used book. It was far less than good. Binding is pretty weak, but okay. Pages toward the back are very crumpled - including every single page of the index at the back of the book.

Elementary Linear Algebra: Howard Anton: 9780470458211 ...

Elementary Linear Algebra is the mathematics and educational book in which author share the elementary treatment which contains the principles.
