Graduate Catalog and Program University of Arizona The University of Arizona UA is the flagship institution in the State of Arizona and offers graduate programs in more than 150 areas of study Graduate programs of study are described here in our Graduate Catalog and Program Descriptions

Computer Science authors titles new arxiv.org In this paper we address the problem of generating person images conditioned on both pose and appearance information Specifically given an image  $x_a$  of a person and a target pose  $P$   $x_b$  extracted from a different image  $x_b$  we synthesize a new image of that person in pose  $P$   $x_b$  while preserving the visual details in  $x_a$

Modeling and simulation in tribology across scales An This section introduces the main tools currently used in tribological modeling starting from analytical models and discussing continuous and discrete mechanical and multiphysical methods suitable for simulations characterized by different time and length scales see Fig 1 for a map of representative tribological models built across the scales namely finite and boundary element methods

University of Southern Queensland One in five Australian men will be diagnosed with prostate cancer by the age of 85 and in 2012 this equated to 20 065 cases Fifteen percent of men diagnosed with prostate cancer will lose their life to the disease and those that survive due to treatment will often be left with life long side effects that diminish both quality of life and overall survival
